SECOND JURY TRIAL

CASE OF JAMES GRIMIT VS. J. M. HOLTON TRIED TODAY.

DISCHARGE PETIT JURORS

Judge V. L. Drain of Shelbyville Makes Good Impression on Bar of the County.

The second jury trial at this term of circuit court which has been in session nearly two weeks was tried today, being the case of James Lee Grimit vs. J. M. Holton. The suit is for $207.50 for work done for Holton by Grimit, the petition claims. The petition alleges that Grimit worked on Holton's farm for seven months and during that time he received only $2.50 in real money for his work.

The jury that is hearing the case is composed of Amos Gage, Lester Ellis, Henry Pierpoint, W. P. Cummins, Elmer Costello, L. O. Reaksecker, Charles Thomas, Clarence Leeper, A. E. Springer, J. D. Speer, C. C. Finnell and Clarence Miller.

Elmer Codgill, who was indicted by the grand jury, appeared in court late yesterday afternoon and pleaded guilty to disturbing the peace and was fined $5.00. The offense took place at Conception Junction.

Mary Pruitt vs. Frank James for damages, the plaintiff was granted leave to sue as a poor person.

In the Southern Surety Co., vs. the estate of D. C. Stephens, being an appeal case from the probate court, it was submitted to the court and the evidence heard. No decision of the finding was announced.

The petit jurors were discharged this morning with the exception of those hearing the case of the Grimit-Holton case. There is only one more jury trial that will be tried and that one is set for tomorrow, being the case of Wesley Johnson vs. Henry O'Riley, appeal from justice court.

Court will take an adjournment tomorrow for February 9, when the Gilmore murder case will come up.

Judge V. L. Drain of Shelbyville, the new circuit judge of the second judicial circuit, has been on the bench since Tuesday sitting for Judge Dawson, who is disqualified, as he was formerly counsel in these cases for trial this week. Judge Drain is a very able jurist and has made a good impression with the bar of this county. Mr. Drain is a son-in-law of Mrs. Martha Turner of this city.

TO KNOCK PREPAREDNESS

Democratic Pacifists Working Hard to Have Provisions Omitted From Revenue Bill.

Special to The Democrat-Forum.

Washington, Jan. 26.—Democratic pacifists today went on the war path to knock preparedness provisions out of the new revenue bill. This measure will be laid before a caucus of the House. The Democrats had taken for granted that the bill would receive unanimous sanction of the majority of the party but powerful group of southern Democrats who are little navy men, are working hard with the result that a strong opposition has been mustered.

May Have Exra Session.

Washington, Jan. 26.—The administration's hope of pushing its legislative program through at the present session is at its lowest ebb today. The failure of the Democratic senate caucus to reach an agreement made it practically certain that an extra session will be called.

APPOINTS POLICE BOARD

Gardner Selects W. E. Stringfellow, R. E. Townsend and Rice McDonald at St. Joseph.

Special to The Democrat-Forum.

Jefferson City, Jan. 26.—Governor Gardner this morning appointed William E. Stringfellow, R. E. Townsend and Rice McDonald police commissioners of St. Joseph. These men are considered anti-Crandall and their confirmation may strike a snag in the senate as the chairman of the senate committee to which appointments go is a Crandall man. They succeed J. L. Davison, J. E. Cox and W. F. Davis.

Gov. Gardner also appointed this morning John R. Ranson and John Halpin as police commissioners of Kansas City. Halpin will resign the chairmanship of the Democratic county committee. The governor said that there is hardly any doubt but what they would be confirmed and would accept.

ORGANIZE AT GRANT CITY

M. V. Carroll Starts Auxiliary to State Motor Association With 34 Members Here Tonight.

A. Neil Somerville, E. M. Claypool, Lawrence Schumacher and Fred Hull motored to Grant City to hear M. V. Carroll, secretary of the Missouri Motor and Good Roads Association, speak at the good roads meeting held there last night.

A fine crowd was present at the meeting of which J. B. Robertson was the chairman. After the lecture an auxiliary to the Missouri State Motor and Good Roads Association was organized, which will be known as the Worth County Good Roads Club. About thirty-four members joined the association and it is expected that a number of others will join the association in a few days.

Mr. Carroll is at Albany this afternoon organizing an auxiliary. He will arrive in Maryville at 7:28 o'clock and will speak at the court house at 8 o'clock. An organization will be formed after the lecture. It is expected that a number of visitors from St. Joseph will be present at the meeting. The towns of Nodaway County have been invited to send delegations.

"BEARCATS" DEFEATED 30-24

Normal Boys Suffer First Loss of the Season In Clash With William Jewell at Liberty.

The "Bearcats" went down to defeat last night before the William Jewell five by the score of 30 to 24. This is the first defeat for the Normal team this season. The "Bearcats" were perhaps overconfident and gave the opening for the Jewell five. It is a bitter disappointment for the Normal students, although the Jewell team was an unknown quantity. Tarkio has been reckoned as the strongest rival, but it may be that Jewell is the one who should cast the largest shadow. The athletic director says that it should put the team on edge to meet Tarkio.

The game, from reports, was slow and rough. The "Bearcats" perhaps did not excell in the clinches. The stars for Jewell were Church and Wolf. "Chido" Scott and "Dad" Scarlett as usual played the best game for the "Bearcats." Each team gained the same number of points from free throws, making 6 out of 12 tries.

The field goals of the teams were made as follows: "Bearcats," H. Scott, 5; Scarlett, 3; W. Scott, 1; For Jewell: Church, 5; Wolf, 3; Lee, 3; Hood, 1.

A. L. Palmer of Kansas City, refereed the game. The "Bearcats" meet Wesleyan at Cameron tonight.

Lee Upschulte went to St. Joseph on business yesterday.

FIRST HOME GAME

M. H. S. WILL HOOK UP WITH STANBERRY TOMORROW.

BEST OF THE SEASON

Both Teams Evenly Matched, Although Scores Slightly Favor Maryville.

The basketball team of the Maryville High School will play their first home game of the season tomorrow night, when they will hook up with the quintet from Stanberry High School. The game was originally scheduled for tonight but was postponed on account of the Philomathean play at the Normal.

The game will be one of the best of the season. Reports from Stanberry indicate that their team is the best they have ever had, and their record for this season shows them to be very evenly matched with the Maryville team. Both teams suffered bad defeats at the hands of St. Joseph and both won easily from Chillicothe. The scores favor Stanberry slightly, as both of their games were played at home while Maryville's games were played on foreign courts.

The Maryville team will probably line up as at Chillicothe last Tuesday. The score of the game at that place was 37-26 in favor of Maryville. The Maryville guards, Woodward and Martin, were the real stars of the game, as neither of Chillicothe's forwards was able to make a field goal, while Woodward and Martin were making three. These two will probably start the game with Groppe at center and Condon and Egley at forward. Holmes, at forward, and Pickens, at guard, may get in before the game is over.

Season tickets for High School basketball are on sale for 75 cents. The tickets guarantee four games and a reduced rate for all other games played. The price for a single admission is 25 cents.

GOOD SALE AT GRAHAM

T. I. McNeil Receives Top Prices for Stock Sold at Auction at His Farm Yesterday.

Good prices were received at the closing out sale of T. I. McNeil & Son which was held yesterday at the McNeil farm which is located three miles north of Graham. Mr. McNeil has sold his farm and he and his family intend to leave soon for Indiana, where they will reside.

E. L. Andrews leaves tomorrow morning for Idaho Falls, Idaho, where he will make his home Mrs. Andrews and daughter, Miss Mary Louise, will leave as soon as arrangements are made for their reception in Idaho Falls.

THE VILLISCA CASE

MONTGOMERY COUNTY NOT TO PAY WILKERSON, DETECTIVE.

SEN. JONES INTERFERES

Says He Will Help Defray the Expense of Ax-Murder Investigation If the Sleuth is Left Out.

Red Oak, Jan. 26.—A stormy and dramatic session was held here Tuesday afternoon when Senator F. F. Jones of Villisca appeared before the county board of supervisors for the purpose of giving to that body his views with reference to the continuance of the investigation of the Moore murder of Villisca in June, 1912.

Jones repeatedly stated to the board and to the crowd which jammed the supervisor's room that he welcomed and wanted a thorough investigation of the murder and that he would gladly help to pay the expense of the investigation, but that he wanted some one other than Detective J. N. Wilkerson employed on the case.

He claimed that Wilkerson has used unfair methods in his work of the last two and one-half years, that he has directed all his energies in trying to connect the Jones family with the crime, and that he has not investigated other clues which have been found. He stated that he favored the employment of two or three good detectives if necessary in order to make a thorough and sweeping investigation.

Jones denied statements of Wilkerson and that he, Jones, has ever employed any means to hinder the investigation and contradicted the statement of the detective that the investigation of Mansfield before the grand jury last summer resulted in a vote of four for indictment and three against, declaring that he had been informed by a member of the grand jury that the vote which resulted in no indictment was a unanimous vote.

"Mr. Wilkerson has never been able to put his hand on anything that would connect the Joneses with this murder," Jones said. "If he had, he would arrest me before I could get out of town, but he hasn't anything." He declared that never were two better friends in the world than he and Joe Moore, and that Wilkerson could not show business rivalry or any other differences between the two as a motive for the crime.

J. N. Wilkerson was present at the meeting and arose immediately at the conclusion of Mr. Jones' speech and denied the charges which had been made against him. He said that he expected to continue the investigation as long as the people of Montgomery county wanted him, regardless of who might be involved, but if the people who have guaranteed the payment of the $1,800 which the Burns agency claims as due it from Montgomery county, want him to quit he will do so, he said.

County Attorney Wenstrand stated at the meeting that the investigation would be continued, but he refusd to state along what lines the work of the future will be done. Considerable pressure was brought to bear on the board Tuesday afternoon in an effort to induce them to allow for payment the bill presented by Wilkerson, but the board maintains that it has no authority to do so.—Creston Daily Advertiser.

FOOD DEMONSTRATION AT NORMAL BEATS H. C. OF L.

SMALL COST OF MEALS

Breakfast, Luncheon and Dinner Containing Right Number of Heat Calories at Low Price.

A feature of the Home Economics Department of the State Normal School this quarter is the series of food demonstrations that are being given by the students of the department.

This morning Miss Leora Ellwood demonstrated the "Economic Value of the Menu." She prepared three meals, breakfast, luncheon and dinner, in which the cost of the three meals per capita was exactly 42 cents. Here are the menus that did the work:

BREAKFAST
½ Orange Oatmeal Molded with Dates
Egg a la Golden Rod on Toast
Coffee

LUNCHEON
Rice Rarebit on Salted Crackers
Browa Bread
Apple in Bloom Tea

DINNER
Braised Beef with Vegetables
Browned Parsnips
Bread and Butter
Marshmallow Pudding with Pineapple Sauce

Each one of these meals contained 2,300 calories, the amount of heat considered necessary by experts for healthy individuals.

A Russian luncheon was given by Miss Nancy Gustin, Miss Katherine Carpenter, Miss Retha Robertson, Miss Blanche Daise and Miss Doris Sayler at noon today.

Miss Ellwood and Miss Gustin leave this afternoon to give a demonstration before the members of the Parent-Teacher's association at Clearmont.

AFTER THE PAPER TRUST

Attorney-General McAllister Will Try to Aid Newspaper Men in the State

Special to The Democrat-Forum.

Jefferson City, Jan. 26.—Attorney General McAllister took the first steps this week towards an investigation of an unlawful combination to increase the cost of white paper. He asked the supreme court to appoint an examiner to take testimony to ascertain if there is an unlawful combination. The court named Judge Charles G. Reville of St. Louis, lately a member of the supreme court.

In his petition the attorney general names the Graham Paper Company of St. Louis, the Butler Paper Company of Chicago and other large paper companies for the purpose of the inquiry. His idea appears to be that this inquiry will largely take up the matter where the federal inquiry left off.

In a statement the attorney general said:

"The situation of the smaller publishers is distressing and many of the country newspapers are facing suspension unless conditions are improved. I shall proceed to take the testimony as soon as possible and push the investigation vigorously."

Takes Sugar in His.

It is more fun to see a man read a puff on himself in a newspaper than to see a fat man slip on a banana peel. The narrow-minded man reads it over seven or eight times, and then goes around to appropriate what copies he can. The kind-hearted man goes around to the office and pays what he owes. The successful business man who advertised regularly and makes money by it, immediately starts out to find the editor and the two walk silently down the street and the business man takes sugar in his and they both eat a clove or two and life is sweeter and peace settles down on their hearts for moments. Such is the experience of a mustard seed that falls on different ground.—Stanberry Owl-Headlight.

WHAT YOUR HENS MAY NEED

Right Feed in Right Proportion Necessary That the Hens May Lay Consistently.

Hens cannot lay consistently unless they have the right feeds in the right proportions. H. L. Kempster, associate professor of poultry husbandry in the Missouri College of Agriculture, gives the following rations for winter feeding:

(1) Scratch food: 1 part wheat, 2 parts corn. Mash (ground food): 1 part bran, 1 part middlings (shorts), 1 part cornmeal, 1 part commercial beef scrap.

(2) Scratch food: 2 parts corn, 1 part wheat. Mash: Ground oats, butter milk or sour milk as a drink.

The parts in the rations are given by weight and not by volume. Other factors are met in egg production and it may be that proper feeding will not produce desired results. However, desired results cannot be obtained without proper feeding. The ration is one of the important factors in egg production which can be controlled. Certainly the man who feeds for egg production will receive more eggs in a year than the man who follows no systematic feeding plan. Mr. Kempster has written "Feeding for Egg Production. Circular No. 76," which may be had by application to the College of Agriculture, Columbia.

WHISKEY DRINKING GROWS

Amount of Liquor Consumed Greater In 1916 Than at Any Time Since 1909.

Special to The Democrat-Forum.

Washington, Jan. 25.—The amount of whiskey consumed by the American people in 1916, apparently was greater than in any previous year since 1909, according to tax returns to the treasury department compiled today, and the amount of revenue collected by the government on whiskey, beer and cigarettes during the year was the greatest on record.

While returns show that the tendency toward prohibition has not lowered the government's revenue from whiskey, officials believe a portion of the increase—nearly $24,000,000 more than in 1915—is attributed to the fact that the government is at present collecting taxes on all the whiskey produced in the country, whereas because of extensive frauds, such was not the case a few years ago.

Consumption of cigarettes in 1916 reached the highest mark ever recorded. The tremendous increase, more than 40 per cent over 1915, is attributed to two main causes:

Increased prosperity of the country and growth of the cigarette habit among women. Many millions of cigarettes made for feminine users were produced in this country and imported during the past year, whereas a few years ago production and importation of such cigarettes were negligible by comparison.

The number of paper wrapper cigarettes upon which the government levied a tax during the year reached the grand total of 25,232,960,928, as compared with 17,939,234,208 in 1915. These figures cover only manufactured paper wrapped cigarettes, and do not include tobacco used by smokers.

A GOAT CAUSES TROUBLE

Suit Filed by James Morrisey Asks $25 Damages for Killing of Animal.

An angora goat valued at $25 is the basis of a suit filed by James Morrissey of Conception Junction against Gabe L. Purcell, also of that town, in Justice of the Peace Johnson's court. The petition alleges that Purcell shot and killed the goat on August 12, 1916, and damages for $25 are asked for. The plaintiff recites in the petition that this goat was specially trained, educated and adapted to the amusement and comfort of the plaintiff's minor children.

The defendant, Purcell, has made an offer of $5.00 and to settle all costs.

The case is set for February 7. Charles McCaffrey represents Morrissey and Ellis G. Cook is attorney for Purcell.

The defense sets forth that the goat was destroying the garden of Mr. Purcell when he shot the animal.

SIMPSON GETS MORE RECORDS

World's Greatest Hurdler Clips One-Fifth Of A Second From the Low Hurdle Record.

And still he makes world's records! Alone and in far from perfect physical condition after his long trip, "Bob" Simpson added another title to his long list of athletic honors last night in New York City when he clipped one-fifth of a second from the world's record in the 70-yard indoor low hurdle race. Simpson was competing in the Melrose Athletic association indoor meet. Against him in this event were pitted Murray and Eller, the two most dangerous opponents to be found in the United States when it comes to hurdle races. Notwithstanding these odds, the race ended with Simpson leading Eller by a foot with a record of 8 1-5 seconds—taking from his nearest opponent the title he had held since 1910.

But "Bob" did not stop with having won a world's record. The end of the 70-yard indoor high hurdle race saw Simpson again leading the field for a safe first. The Missouri marvel did not break a record in this event, finishing in seconds—1-4 of a second slower than the world's record.—Daily Missourian of Columbia.

Missouri County Fairs.

Sixty-six Missouri county fairs held in 1916 had a total attendance of 608,267. Live stock on exhibition consisted of 4,305 horses, 1,601 mules, 427 jacks and jenets, 2,095 head of cattle, 2,129 hogs, 853 sheep, and 8,985 chickens and other fowls. Cash paid out for agricultural premiums amounted to $60,677.92. Under the law providing for state aid to fairs, the claims of 56 associations were approved by the State Board of Agriculture to the amount of $12,946.89. Ten other applications, totaling $1,789.64, were conditionally approved, the total being $14,736.53. None of this money will be available until re-appropriated by the legislature.

Missouri Grew Millions More.

In 1916 Missouri had 6,775,090 acres in corn; Kansas, 6,950,000. Yet Missouri, with 175,000 fewer acres, grew 62,612,000 more bushels. These are United States Department of Agriculture figures. The Missouri figures, as compiled by the State Board of Agriculture, make a slightly better showing.

Newspaper Advertising Best.

Forty-one out of sixty-six county fair secretaries, who report to the State Board of Agriculture, say that of all kinds of advertising tried that in local newspapers has proved most effective. An attractively printed catalog is also regarded as good advertising.

MEASLES PREVENT

DEPARTURE OF FOURTH REGIMENT HINDERED BY EPIDEMIC.

MAY BE LAST TO RETURN

The Disease Extends Through Eight Companies — St. Joseph Plans Large Reception.

A dispatch from San Antonio to St. Joseph announces that there will be a delay in the return of the Fourth Regiment from the Mexican border on account of an epidemic of measles in the regiment's camp.

It had been the intention of the war department to dispatch the Missouri regiment to their mustering out station just as soon as the railroads could provide the equipment necessary to transport them, but they may now be the last to leave the border, it is feared.

A committee appointed by Mayor Marshall of St. Joseph to arrange for the home-coming of the Fourth Regiment, is desirous of entertaining the regiment as a whole, and at a meeting held by the committee it was decided to telegraph Congressman C. F. Booher at Washington asking him to make every possible effort to induce the war department to route the troop train through St. Joseph on its way to Fort Riley, Kan., for mustering out.

If the train can't be brought home this way the war department will be asked to so arrange it that the regiment may proceed from Fort Riley to St. Joseph in its entirety.

The dispatch from San Antonio says that the departure of the regiment has been indefinitely postponed because of the outbreak of German measles in the regiment. The epidemic extends through eight companies.

The schedules for homeward departure of several guard organizations were announced yesterday. The first movement will be that of the Third Illinois infantry and brigade headquarters from Camp Wilson Saturday. The Fifth Nebraska infantry and Company A, signal corps, will start from Llano Grande February 3.

Both the First Arkansas infantry at Deming and the First Oklahoma infantry at San Benito are due to get away February 1. Other Oklahoma troops in the Brownsville district, Troops A and B, cavalry; a field hospital and Company A, engineers, will probably leave the same day. Iowa brigade headquarters and the Third infantry will leave Brownsville between February 1 and 5.

JOHN M'GAREY, 72, DIES

Old and Respected Citizen of Conception Junction, Passes Away After Short Illness.

John McGarey an old and respected resident of Nodaway county died at his home southwest of Conception Junction at 2:45 Saturday afternoon, January 20, 1917, after an illness of four weeks. The funeral services were held at the Abbey church, Monday morning, January 22, Rev. Father Placid, O. S. B., officiating and interment made in St. Columbia cemetery. The deceased was born in Perry county, Ohio, September 12, 1844, and at the time of his death was 72 years, 4 months and 8 days old. November 29, 1862, he was united in marriage to Miss Rebecca Flowers and to this union six children were born, five of whom are living, the oldest, a son, passing away when 15 months old. Soon after his marriage the deceased moved to Iowa, and in 1896, moved to this county, where he resided until his death. He was an upright, conscientious man, who had surrounded himself with a host of friends. Besides his wife he leaves to mourn his loss three girls and two boys, Mrs. Mary Meagher of near Conception, Mrs. Clark Meyers of Maryville, Gertrude McGarey living at home, Bernard McGarey of near Conception Junction, and Dennis, who lives at home.—Conception Courier.

HERE ARE EIGHT EGG POINTS

The Following Essentials Will Insure the Successful Feeding of Your Poultry.

H. L. Kempster of the Missouri College of Agriculture gives the following essentials for successful poultry feeding:

1. Grain (scratch food) and ground feed (mash).
2. Animal food, such as beef scrap or sour skim milk.
3. Grit and oyster shell.
4. Green food.
5. Clean, fresh water.
6. Liberal feeding.
7. Plenty of exercise.
8. Regular attention.

Hens eat from five to eight pounds of food a month, or sixty to eighty pounds in a year. The daily food eaten by a hen is from three to four ounces. The daily ration for 100 hens is from nineteen to twenty-five pounds.

Hens drink six pounds of milk a month. One hundred hens drink two and one-half gallons of milk daily.

On limited range a laying hen eats two pounds of grit and three pounds of oyster shell in a year.

THE young, old people of today have used Ivory Soap a long, long time; many for upwards of thirty years. In all that time they never have had a cake which left any disagreeable effects.

In other words, Ivory Soap always has been pure, free from alkali and of the highest quality. And it always has done what soap should do—it always has produced the sweet, glowing, refreshing cleanness which is Nature's best aid in keeping the skin healthy and beautiful.

For Daughter's Birthday.

Mrs. L. A. Denny entertained yesterday at her home on East First street in honor of the third birthday anniversary of her little daughter, Dorothy. Dainty refreshments were served by the hostess assisted by her sister, Mrs. H. J. Becker and Miss Julia Denny. Those present were: Hilda Denny, Evangeline, Martha Lucile, Edith and Ruth Spickerman, Virginia and Charles Becker and Lois Dearworth. All the guests present were cousins of little Miss Dorothy, except little Miss Lois Dearworth.

Mrs. Yates, Hostess.

Mrs. Harry L. Yates was hostess to the C. C. Club at her home southwest of Burlington Junction, January 17.

In the absence of Miss Vida Young, Mrs. E. E. Corken led the meeting, the subject of which was "The Wonders of Our Country."

Roll call was answered with "Places in the United States Which I Would Like to See." The club closed its program with the song, "America." Refreshments were served by the hostess.—Burlington Junction Post.

Bedison Home Circle Meets.

The Bedison Home Circle met Wednesday, January 24, with Mrs. R. D. Stewart as hostess. Roll call was responded to with jokes and conundrums. A question box on Lincoln's life proved very interesting. Those present were: Mrs. Floyd Ambrose, Mrs. A. P. Kidder, Mrs. Fred Dodd, Mrs. B. W. Thompson, Mrs. Elmer Young, Mrs. William Anderson, and son, Wesley, Miss Laura Snyder, Miss Sue Young, and Miss Lola Coulter. The next meeting will be held February 7, at the home of Mrs. James Snyder.

Morgan-Edmonds Wedding.

Miss Maggie M. Morgan of West Plains, Mo., and William W. Edmonds, of Burlington Junction were united in marriage at the Methodist parsonage Thursday evening, Rev. Ernest Snider performing the ceremony.

Mrs. Edmonds had made her home for the past six months with Mr. and Mrs. A. C. Nicholas in Maryville and also visited for some time in the Skidmore community with her two brothers where she is well and favorably known. Will is the son of Mrs. Edmonds Nicholas and has made his home in Burlington Junction for the greater part of his life, where he has been engaged in the paper hanging and painting business.

The groom has begun the construction of a modern six-room bungalow on lots adjoining his mother's home in the south part of town, and when it is completed Mr. and Mrs. Edmonds will make it their home.—Burlington Junction Post.

Lasher Home Makers Meet.

The Lasher Homemaking Circle met yesterday afternoon with Mrs. James Stevenson and held their annual election of officers, which was as follows: President, Mrs. James Stevenson; vice-president, Mrs. Charley Barrow; secretary, Miss Ella O'Grady, and treasurer, Mrs. Lawrence Gault. After the business session a social hour was held, during which time music was furnished by Mrs. Mart Moody. Delicious refreshments were served by the hostess, assisted by Mrs. Will Knepper. The members present were: Mrs. Paul Swinford, Mrs. Mart Moody, Mrs. John Schenkel, Mrs. Henry Strauch, Mrs. Lawrence Gault, Mrs. Will Knepper, Mrs. Charles Barrow, Mrs. Lloyd Martin, Miss Ella O'Grady and the hostess.

The next meeting will be at the home of Mrs. Paul Swinford, Thursday, February 8.

Honor Guests at Luncheon.

Misses Mildred Miller and Beulah Brunner, teachers in the training school at the Normal and who leave soon for New York City to attend Columbia University, were the honor guests of a luncheon given Wednesday noon at the Normal school. The rooms were decorated in white and green, the same colors were used in the luncheon, which was prepared and served by the following young girls, who are under fourteen years of age: Misses Josephine Miller, Annette Stiwalt, Mabel Raines, Charlotte Welchel, Beulah Shannon, Evelyn Raines, Mabel Robey and Lucile Elliott. The guests were: Misses Mildred Miller, Beulah Brunner, Hettie Anthony, Leora Ellwood, Ruth Hunt and Mrs. Alice R. Perrin.

Shea-Elberger Nuptials.

One of the prettiest wedding ceremonies that has been performed in the vicinity of Clyde, Mo., was witnessed by a large number of friends and relatives of the contracting parties, when Miss Alice Shea was united in marriage to Mr. Adam Elberger, of King City, Mo., the ceremony being performed Wednesday morning, January 24, 1917, by Fr. Frowin, O. S. B., pastor of St. Benedict's church.

The bride was attended by Miss Anna Elberger, sister of the groom, and Mr. Patrick Shea, brother of the bride, attended the groom.

The bride's gown was of liberty satin tulle, embroidered in pearls and trimmed in chanchilli lace. Her veil was fastened by a band of orange blossoms and lilles of the valley, and carried a shower boquet of bride's roses.

The bridesmaid's gown was of blue crepe de chine, trimmed in silver lace, and wore a pink and white picture hat, carried an arm boquet of pink carnations.

Immediately after the ceremony the party returned to the home of the bride's mother where an elegant wedding breakfast was served at which only the immediate relatives were present.

The young people left in the afternoon for a southern wedding trip, and on their return will be at home after March 15, at King City, Mo.

Miss Shea formerly lived in Kansas City until the last two years, when she came here with her people to live at their country home, and has proved to be a very popular and accomplished young lady and a general favorite among her friends and acquaintances.

The groom is well known in this community, especially by his pleasant manner and on account of being such a prosperous farmer.

May the good wishes of their large circle of friends follow them down the path of life and that their journey be one of peace, happiness and prosperity is the earnest wish of all in which the Courier joins.—Conception Courier.

W. C. I. Club Banquets.

The W. C. I. Club enjoyed a banquet at the home of Mrs. W. J. Fox yesterday.

The afternoon subject, was "Missouri," so the roll call was answered with the term of some governor.

After the usual business session the meeting was led by Mrs. Ed Cummins. The following papers were prepared and read:

HOW GOOD THAT MUSTEROLE FEELS!

It Gets to That Sore Spot Like Magic

A-a-h! That's delicious relief for those sore muscles, those stiff joints, that lame back.

Musterole is a clean, white ointment, made with the oil of mustard and other home simples.

It does the work of the old-fashioned mustard plaster, minus the plaster and minus the blister!

You simply rub Musterole on the spot where the pain is—rub it on briskly—and usually the pain is gone.

No muss, no bother. Just comforting, soothing relief—first a gentle glow, then a delightful sense of coolness. And best of all, no blisters like the old-fashioned mustard plaster used to make.

Use Musterole for sore throat, bronchitis, tonsilitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet and colds of the chest (it often prevents pneumonia).

Sunday School Social.

The Intermediate Department of the Sunday School of the First Methodist Episcopal Church held a social gathering in the parlors of thechurchWednesday evening, about sixty-four being present. As the guests arrived names of famous men and women were pinned to their backs and they were required by asking numerous questions to find out who they represented. Then the crowd was divided into twelve groups, according to the months in which the birthdays occurred, and each group was asked to do some amusing stunt. Games entitled "A Third of a Ghost," and "Fizz and Buzz," followed. The climax of the fun arrived when the boys and girls joined heartily in the "Conversation" game, changing partners and topics of conversation every two minutes. Refreshments of ice cream and cake followed. The committees in charge were: Mrs. A. R. Perrin, for refreshments, and Prof and Mrs. Clyde C. Leeson and Mrs. G. W. Booth for entertainment. The following are the teachers of the classes in attendance: Prof. A. W. Cooper, Rev. E. M. Houchens, Mrs. L. L. Holbrook, Miss Mary Sewall, Prof. Clyde C. Leeson, Mrs. Clyde C. Leeson, Mrs. G. W. A NEW PEP ASSEMBLY

Many Clever Features Introduced at High School Meeting at 3 o'Clock This Afternoon.

Something new in the way of a pep assembly was held this afternoon at the High School at 3 o'clock. The first thing on the program was a talk by Eugene Yehle, the new president of the Athletic Association. His talk was in the nature of an explanantion of the game of basketball.

The next number was a meeting between Clarenee Cook and a young lady (?). Their discussion of the approaching game with Stanberry was very interesting and amusing.

The climax of the assembly came when the High School team appeared on the platform in uniform and lined up against a team picked to represent Stanberry. The "Stanberry" team was composed of the five smallest boys in the High School. They were William Englemann, Ora McPherron, Erma Coler, Preston Maul and Cecil Bell.

The assembly was then turned over to the yell leaders—Eugene Martin and Ray Maul—and the old yells were practiced and several new ones learned.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

ON "CHOOSING A HUSBAND"

St. Louis Pastor, Brother of Rev. L. M. Hale, Gives Advice to Girls.

The following extracts from the sermon of the Rev. George D. Hale, brother of the Rev. Lewis M. Hale, former pastor of the Maryville Baptist Church, were printed in the St. Louis Post-Dispatch. Rev. Mr. Hale, who is pastor of the Euclid Avenue Baptist Church in St. Louis, took for the subject of his sermon, "Choosing a Husband." He gave this advice to young women:

"Not a man for his money, but see that you love a man who has money—and wed the first good chance you get."

That was the text of Rev. George L. Hale's sermon on "Choosing a Husband" at Euclid Avenue Baptist Church here.

The "pass me the salt" introductions between men and women, he said, are the sort that engage a couple the next day, wed them the next and divorce them on the day following.

Rev. Hale issued the following "don'ts" for prospective brides:

"Don't wed a perfect man. They ain't.

"Don't wed a poor man. They're lazy.

"Don't wed a scornful man. They're crabs.

"Don't wed an immoral man. They're not men.

"Don't wed a clothes horse. They don't pull.

"Don't wed a house and lot. They mortgage."

'Many women," said Rev. Hale, "are good samples. They are whitewashed, enameled and rose tinted. They should be labeled 'handle with care.'

"Their husbands resort to the divorce courts. Their inscriptions are something like this: 'Goods delivered. Not as ordered in sample. Kindly return."

enue for the state.

The corporation tax, which is in addition to all the present taxes, provides a tax of $1 a thousand on the capital and surplus of all corporations doing business in Missouri. This measure on this basis will raise a trifle more than 1 million dollars a year in revenue.

The inheritance tax is sweeping. Starting with an exemption of $5,000 for widows and $2,000 to each child, it ranges upwards until the state would assess a tax as high as 30 per cent on a bequest of more than ½ million dollars where there was no blood relationship to legatee. The bill provides careful graduations both according to relationship and to the size of the bequest.

The general inheritance tax abolishes the present collateral inheritance tax and combines the direct and collateral inheritance tax in one measure. The University of Missouri which now receives the collateral inheritance tax revenue in the future would get its money direct from the general revenue fund. The University authorities preferred this as the amount obtained each year from the collateral tax is so uncertain the university never knows what to count on.

The inheritance tax puts a tax on every form of inheritance, direct and indirect. The bequest to a widow up to $5,000 is exempt and of each child up to $2,000. There are small exemptions in each class of relationship established by law ranging from a bequest of $500 to a brother or sister to $100 to a relative of the fifth or sixth degree. All bequests to charitable, religious or philanthropic purposes are specifically exempt. The measure provides where it can be established property was transferred within six years before death, without available consideration, for the purpose of evading payment of the inheritance tax, the property may be taxed as if left by inheritance after death.

SECOND JURY TRIAL

CASE OF JAMES GRIMIT VS. J. M. HOLTON TRIED TODAY.

DISCHARGE PETIT JURORS

Judge V. L. Drain of Shelbyville Makes Good Impression on Bar of the County.

The second jury trial at this term of circuit court which has been in session nearly two weeks was tried today, being the case of James Lee Grimit vs. J. M. Holton. The suit is for $207.50 for work done for Holton by Grimit, the petition claims. The petition alleges that Grimit worked on Holton's farm for seven months and during that time he received only $2.50 in real money for his work.

The jury that is hearing the case is composed of Amos Gage, Lester Ellis, Henry Pierpoint, W. P. Cummins, Elmer Costello, L. O. Reaksecker, Charles Thomas, Clarence Leeper, A. E. Springer, J. D. Speer, C. C. Finnell and Clarence Miller.

Elmer Codgill, who was indicted by the grand jury, appeared in court late yesterday afternoon and pleaded guilty to disturbing the peace and was fined $5.00. The offense took place at Conception Junction.

Mary Pruitt vs. Frank James for damages, the plaintiff was granted leave to sue as a poor person.

In the Southern Surety Co., vs. the estate of D. C. Stephens, being an appeal case from the probate court, it was submitted to the court and the evidence heard. No decision of the finding was announced.

The petit jurors were discharged this morning with the exception of those hearing the case of the Grimit-Holton case. There is only one more jury trial that will be tried and that one is set for tomorrow, being the case of Wesley Johnson vs. Henry O'Riley, appeal from justice court.

Court will take an adjournment tomorrow for February 9, when the Gilmore murder case will come up.

Judge V. L. Drain of Shelbyville, the new circuit judge of the second judicial circuit, has been on the bench since Tuesday sitting for Judge Dawson, who is disqualified, as he was formerly counsel in these cases for trial this week. Judge Drain is a very able jurist and has made a good impression with the bar of this county. Mr. Drain is a son-in-law of Mrs. Martha Turner of this city.

TO KNOCK PREPAREDNESS

Democratic Pacifists Working Hard to Have Provisions Omitted From Revenue Bill.

Special to The Democrat-Forum.

Washington, Jan. 26.—Democratic pacifists today went on the war path to knock preparedness provisions out of the new revenue bill. This measure will be laid before a caucus of the House. The Democrats had taken for granted that the bill would receive unanimous sanction of the majority of the party but powerful group of southern Democrats who are little navy men, are working hard with the result that a strong opposition has been mustered.

May Have Exra Session.

Washington, Jan. 26.—The administration's hope of pushing its legislative program through at the present session is at its lowest ebb today. The failure of the Democratic senate caucus to reach an agreement made it practically certain that an extra session will be called.

APPOINTS POLICE BOARD

Gardner Selects W. E. Stringfellow, R. E. Townsend and Rice McDonald at St. Joseph.

Special to The Democrat-Forum.

Jefferson City, Jan. 26.—Governor Gardner this morning appointed William E. Stringfellow, R. E. Townsend and Rice McDonald police commissioners of St. Joseph. These men are considered anti-Crandall and their confirmation may strike a snag in the senate as the chairman of the senate committee to which appointments go is a Crandall man. They succeed J. L. Davison, J. E. Cox and W. F. Davis.

Gov. Gardner also appointed this morning John R. Ranson and John Halpin as police commissioners of Kansas City. Halpin will resign the chairmanship of the Democratic county committee. The governor said that there is hardly any doubt but what they would be confirmed and would accept.

ORGANIZE AT GRANT CITY

M. V. Carroll Starts Auxiliary to State Motor Association With 34 Members Here Tonight.

A. Nell Somerville, E. M. Claypool, Lawrence Schumacher and Fred Hull motored to Grant City to hear M. V. Carroll, secretary of the Missouri Motor and Good Roads Association, speak at the good roads meeting held there last night.

A fine crowd was present at the meeting of which J. B. Robertson was the chairman. After the lecture an auxiliary to the Missouri State Motor and Good Roads Association was organized, which will be known as the Worth County Good Roads Club. About thirty-four members joined the association and it is expected that a number of others will join the association in a few days.

Mr. Carroll is at Albany this afternoon organizing an auxiliary. He will arrive in Maryville at 7:28 o'clock and will speak at the court house at 8 o'clock. An organization will be formed after the lecture. It is expected that a number of visitors from St. Joseph will be present at the meeting. The towns of Nodaway County have been invited to send delegations.

"BEARCATS" DEFEATED 30-24

Normal Boys Suffer First Loss of the Season In Clash With William Jewell at Liberty.

The "Bearcats" went down to defeat last night before the William Jewell five by the score of 30 to 24. This is the first defeat for the Normal team this season. The "Bearcats" were perhaps overconfident and gave the opening for the Jewell five. It is a bitter disappointment for the Normal students, although the Jewell team was an unknown quantity. Tarkio has been reckoned as the strongest rival, but it may be that Jewell is the one who should cast the largest shadow. The athletic director says that it should put the team on edge to meet Tarkio.

The game, from reports, was slow and rough. The "Bearcats" perhaps did not excell in the clinches. The stars for Jewell were Church and Wolf. "Chido" Scott and "Dad" Scarlett as usual played the best game for the "Bearcats." Each team gained the same number of points from free throws, making 6 out of 12 tries.

The field goals of the teams were made as follows: "Bearcats," H. Scott, 5; Scarlett, 3; W. Scott, 1; For Jewell: Church, 5; Wolf, 3; Lee, 3; Hood, 1.

A. L. Palmer of Kansas City, refereed the game. The "Bearcats" meet Wesleyan at Cameron tonight.

Lee Upschulte went to St. Joseph on business yesterday.

FIRST HOME GAME

M. H. S. WILL HOOK UP WITH STANBERRY TOMORROW.

BEST OF THE SEASON

Both Teams Evenly Matched, Although Scores Slightly Favor Maryville.

The basketball team of the Maryville High School will play their first home game of the season tomorrow night, when they will hook up with the quintet from Stanberry High School. The game was originally scheduled for tonight but was postponed on account of the Philomathean play at the Normal.

The game will be one of the best of the season. Reports from Stanberry indicate that their team is the best they have ever had, and their record for this season shows them to be very evenly matched with the Maryville team. Both teams suffered bad defeats at the hands of St. Joseph and both won easily from Chillicothe. The scores favor Stanberry slightly, as both of their games were played at home while Maryville's games were played on foreign courts.

The Maryville team will probably line up as at Chillicothe last Tuesday. The score of the game at that place was 37-26 in favor of Maryville. The Maryville guards, Woodward and Martin, were the real stars of the game, as neither of Chillicothe's forwards was able to make a field goal, while Woodward and Martin were making three. These two will probably start the game with Groppe at center and Condon and Egley at forward. Holmes, at forward, and Pickens, at guard, may get in before the game is over.

Season tickets for High School basketball are on sale for 75 cents. The tickets guarantee four games and a reduced rate for all other games played. The price for a single admission is 25 cents.

GOOD SALE AT GRAHAM

T. I. McNell Receives Top Prices for Stock Sold at Auction at His Farm Yesterday.

Good prices were received at the closing out sale of T. I. McNell & Son which was held yesterday at the McNeil farm which is located three miles north of Graham. Mr. McNeil has sold his farm and he and his family intend to leave soon for Indiana, where they will reside.

A four-year-old and six-year-old mares brought $410. A two-year-old draft mare sold for $210. A pair of yearling draft fillies were purchased for $270.

Three head of brood sows averaged $47 a head and a yearling Poland-China boar brought $61.

Fifteen head of spring steer calves averaged $59.50; three heifer calves averaged $68; six yearling heifers averaged $162.50; twenty-nine head of cows, two, three, four and five-year-old averaged $117; and a yearling registered Shorthorn bull brought $270. The general average on all cattle, calves and cows was $93.00.

Col. R. P. Hosmer, the auctioneer, cried the sale. The sale amounted to $8,838. An immense crowd attended the sale.

Carey Buys A Farm Near Graham.

Henry Carey purchased the George Bear farm of eighty acres for a consideration of $9,200. He has been a partner of Will Carey with whom he has been farming for the last four years on the J. I. THE VILLISCA CASE

MONTGOMERY COUNTY NOT TO PAY WILKERSON, DETECTIVE.

SEN. JONES INTERFERES

Says He Will Help Defray the Expense of Ax-Murder Investigation If the Sleuth is Left Out.

Red Oak, Jan. 26.—A stormy and dramatic session was held here Tuesday afternoon when Senator F. F. Jones of Villisca appeared before the county board of supervisors for the purpose of giving to that body his views with reference to the continuance of the investigation of the Moore murder of Villisca in June, 1912.

Jones repeatedly stated to the board and to the crowd which jammed the supervisor's room that he welcomed and wanted a thorough investigation of the murder and that he would gladly help to pay the expense of the investigation, but that he wanted some one other than Detective J. N. Wilkerson employed on the case.

He claimed that Wilkerson has used unfair methods in his work of the last two and one-half years, that he has directed all his energies in trying to connect the Jones family with the crime, and that he has not investigated other clues which have been found. He stated that he favored the employment of two or three good detectives if necessary in order to make a thorough and sweeping investigation.

Jones denied statements of Wilkerson and that he, Jones, has ever employed any means to hinder the investigation and contradicted the statement of the detective that the investigation of Mansfield before the grand jury last summer resulted in a vote of four for indictment and three against, declaring that he had been informed by a member of the grand jury that the vote which resulted in no indictment was a unanimous vote.

"Mr. Wilkerson has never been able to put his hand on anything that would connect the Joneses with this murder," Jones said. "If he had, he would arrest me before I could get out of town, but he hasn't anything." He declared that never were two better friends in the world than he and Joe Moore, and that Wilkerson could not show business rivalry or any other differences between the two as a motive for the crime.

J. N. Wilkerson was present at the meeting and arose immediately at the conclusion of Mr. Jones' speech and denied the charges which had been made against him. He said that he expected to continue the investigation as long as the people of Montgomery county wanted him, regardless of who might be involved, but if the people who have guaranteed the payment of the $1,800 which the Burns agency claims as due it from Montgomery county, want him to quit he will do so, he said.

County Attorney Wenstrand stated at the meeting that the investigation would be continued, but he refusd to state along what lines the work of the future will be done. Considerable pressure was brought to bear on the board Tuesday afternoon in an effort to induce them to allow for payment the bill presented by Wilkerson, but the board maintains that it has no authority to do so.—Creston Daily Advertiser.

FOOD DEMONSTRATION AT NORMAL BEATS H. C. OF L.

SMALL COST OF MEALS

Breakfast, Luncheon and Dinner Containing Right Number of Heat Calories at Low Price.

A feature of the Home Economics Department of the State Normal School this quarter is the series of food demonstrations that are being given by the students of the department.

This morning Miss Leora Ellwood demonstrated the "Economic Value of the Menu." She prepared three meals, breakfast, luncheon and dinner, in which the cost of the three meals per capita was exactly 42 cents. Here are the menus that did the work:

BREAKFAST
½ Orange Oatmeal Molded with Dates
Egg a la Golden Rod on Toast
Coffee

LUNCHEON
Rice Rarebit on Salted Crackers
Brown Bread
Apple in Bloom Tea

DINNER
Braised Beef with Vegetables
Browned Parsnips
Bread and Butter
Marshmallow Pudding with Pineapple Sauce

Each one of these meals contained 2,300 calories, the amount of heat considered necessary by experts for healthy individuals.

A Russian luncheon was given by Miss Nancy Gustin, Miss Katherine Carpenter, Miss Retha Robertson, Miss Blanche Daise and Miss Doris Sayler at noon today.

Miss Ellwood and Miss Gustin leave this afternoon to give a demonstration before the members of the Parent Teacher's association at Clearmont.

Mrs. F. P. Crooke of Guthrie, Okla., who with her son, Harry, has been visiting at the home of Mrs. Ed Otis was called to Villisca last night by the death of her mother, Mrs. Esther Stickler. Mrs. Crooke was on her way to visit her mother whose death took place before she arrived. Mrs. Stickler will be buried tomorrow at Farragut, after which Mrs. Crooke and her son will return to their home.

Mrs. A. E. Otis of The Dalles, Oregon, who was visiting in Maryville, accompanied Mrs. Crooke to Villisca and will attend the funeral. She will then go to Kansas City, where she will meet Mr. Otis and they will leave Monday morning for an eastern trip to New York, Washington, D. C., Boston and other points.

McKNIGHT INTRODUCES BILLS.

Senator From This District Busy With Measures for General Welfare.

Senator McKnight of Gentry introduced a series of bills concerning actions for damages for personal injuries against public service corporations. One of these bills requires that interest shall be paid on the judgments from the date of the injury to the date of the judgment. Another abolishes the defense of contributory negligence.

Mrs. Wilson Is Much Better.

Mrs. Harry T. Wilson, who with Mrs. O. F. Wilson is spending the winter at Daytona Beach, Fla., is rapidly regaining her health, the warm climate and salt air being very beneficial to her. They will remain in the south until warm weather. Quite a colony from this vicinity have visited Florida this winter.

Mrs. R. I. Bilby and Mrs. W. F. Barber of Skidmore, mother and sister of Mrs. Harry Wilson, will go to Daytona Beach Sunday and Mrs. O. F. Wilson will then return to Burlington Junction.—Burlington Junction Post.

AFTER THE PAPER TRUST

Attorney-General McAllister Will Try to Aid Newspaper Men in the State

Special to The Democrat-Forum.

Jefferson City, Jan. 26.—Attorney General McAllister took the first steps this week towards an investigation of an unlawful combination to increase the cost of white paper. He asked the supreme court to appoint an examiner to take testimony to ascertain if there is an unlawful combination. The court named Judge Charles G. Reville of St. Louis, lately a member of the supreme court.

In his petition the attorney general names the Graham Paper Company of St. Louis, the Butler Paper Company of Chicago and other large paper companies for the purpose of the inquiry. His idea appears to be that this inquiry will largely take up the matter where the federal inquiry left off.

In a statement the attorney general said:

"The situation of the smaller publishers is distressing and many of the country newspapers are facing suspension unless conditions are improved. I shall proceed to take the testimony as soon as possible and push the investigation vigorously."

Takes Sugar in His.

It is more fun to see a man read a puff on himself in a newspaper than to see a fat man slip on a banana peel. The narrow-minded man reads it over seven or eight times, and then goes around to appropriate what copies he can. The kind-hearted man goes around to the office and pays what he owes. The successful business man who advertised regularly and makes money by it, immediately starts out to find the editor and the two walk silently down the street and the business man takes sugar in his and they both eat a clove or two and life is sweeter and peace settles down on their hearts for moments. Such is the experience of a mustard seed that falls on different ground.—Stanberry Owl-Headlight.

WHAT YOUR HENS MAY NEED

Right Feed in Right Proportion Necessary That the Hens May Lay Consistently.

Hens cannot lay consistently unless they have the right feeds in the right proportions. H. L. Kempster, associate professor of poultry husbandry in the Missouri College of Agriculture, gives the following rations for winter feeding:

(1) Scratch food: 1 part wheat, 2 parts corn. Mash (ground food): 1 part bran, 1 part middlings (shorts), 1 part cornmeal, 1 part commercial beef scrap.

(2) Scratch food: 2 parts corn, 1 part wheat. Mash: Ground oats, butter milk or sour milk as a drink.

The parts in the rations are given by weight and not by volume. Other factors are met in egg production and it may be that proper feeding will not produce desired results. However, desired results cannot be obtained without proper feeding. The ration is one of the important factors in egg production which can be controlled. Certainly the man who feeds for egg production will receive more eggs in a year than the man who follows no systematic feeding plan. Mr. Kempster has written "Feeding for Egg Production, Circular No. 76," which may be had by application to the College of Agriculture, Columbia.

WHISKEY DRINKING GROWS

Amount of Liquor Consumed Greater In 1916 Than at Any Time Since 1909.

Special to The Democrat-Forum.

Washington, Jan. 25.—The amount of whiskey consumed by the American people in 1916, apparently was greater than in any previous year since 1909, according to tax returns to the treasury department compiled today, and the amount of revenue collected by the government on whiskey, beer and cigarettes during the year was the greatest on record.

While returns show that the tendency toward prohibition has not lowered the government's revenue from whiskey, officials believe a portion of the increase—nearly $24,000,000 more than in 1915—is attributed to the fact that the government is at present collecting taxes on all the whiskey produced in the country, whereas because of extensive frauds, such was not the case a few years ago.

Consumption of cigarettes in 1916 reached the highest mark ever recorded. The tremendous increase, more than 40 per cent over 1915, is attributed to two main causes:

Increased prosperity of the country and growth of the cigarette habit among women. Many millions of cigarettes made for feminine users were produced in this country and imported during the past year, whereas a few years ago production and importation of such cigarettes were negligible by comparison.

The number of paper wrapper cigarettes upon which the government levied a tax during the year reached the grand total of 25,232,960,928, as compared with 17,939,234,208 in 1915. These figures cover only manufactured paper wrapped cigarettes, and do not include tobacco used by smokers.

IS CHICAGO "GOLD ROBBER."

Adam Prochowski Confesses That He Robbed Many Millionaires.

A GOAT CAUSES TROUBLE

Suit Filed by James Morrisey Asks $25 Damages for Killing of Animal.

An angora goat valued at $25 is the basis of a suit filed by James Morrissey of Conception Junction against Gabe L. Purcell, also of that town, in Justice of the Peace Johnson's court. The petition alleges that Purcell shot and killed the goat on August 12, 1916, and damages for $25 are asked for. The plaintiff recites in the petition that this goat was specially trained, educated and adapted to the amusement and comfort of the plaintiff's minor children.

The defendant, Purcell, has made an offer of $5.00 and to settle all costs.

The case is set for February 7. Charles McCaffrey represents Morrissey and Ellis G. Cook is attorney for Purcell.

The defense sets forth that the goat was destroying the garden of Mr. Purcell when he shot the animal.

BRINGS IN 13 TRUE BILLS.

Grand Jury Will Probably Finish Session This Afternoon.

The grand jury brought in thirteen "true bills" shortly before noon today and then went back to work again on a few matters yet unfinished. The indictments brought in this morning were mostly for gaming and violations of the local option law.

It is expected the grand jury will finish their session late this afternoon.

Miss Hagey Seriously Injured.

Miss Nellie Hagey, who was seriously burned yesterday from an explosion of gasoline while filling a gasoline stove in the office of Dr. Charles Dean was taken to her home in Clearmont. The young girl is in a serious condition and her recovery is very uncertain.

SIMPSON GETS MORE RECORDS

World's Greatest Hurdler Clips One-Fifth Of A Second From the Low Hurdle Record.

And still he makes world's records! Alone and in far from perfect physical condition after his long trip, "Bob" Simpson added another title to his long list of athletic honors last night in New York City when he clipped one-fifth of a second from the world's record in the 70-yard indoor low hurdle race. Simpson was competing in the Melrose Athletic association indoor meet. Against him in this event were pitted Murray and Eller, the two most dangerous opponents to be found in the United States when it comes to hurdle races. Notwithstanding these odds, the race ended with Simpson leading Eller by a foot with a record of 8 1-5 seconds—taking from his nearest opponent the title he had held since 1910.

But "Bob" did not stop with having won a world's record. The end of the 70-yard indoor high hurdle race saw Simpson again leading the field for a safe first. The Missouri marvel did not break a record in this event, finishing in seconds—1-4 of a second slower than the world's record.—Daily Missourian of Columbia.

Missouri County Fairs.

Sixty-six Missouri county fairs held in 1916 had a total attendance of 608,267. Live stock on exhibition consisted of 4,305 horses, 1,601 mules, 427 jacks and jenets, 2,095 head of cattle, 2,129 hogs, 853 sheep, and 8,985 chickens and other fowls. Cash paid out for agricultural premiums amounted to $60,677.92. Under the law providing for state aid to fairs, the claims of 56 associations were approved by the State Board of Agriculture to the amount of $12,946.89. Ten other applications, totaling $1,789.64, were conditionally approved, the total being $14,736.53. None of this money will be available until re-appropriated by the legislature.

Missouri Grew Millions More.

In 1916 Missouri had 6,775,000 acres in corn; Kansas, 6,950,000. Yet Missouri, with 175,000 fewer acres, grew 62,612,000 more bushels. These are United States Department of Agriculture figures. The Missouri figures, as compiled by the State Board of Agriculture, make a slightly better showing.

Newspaper Advertising Best.

Forty-one out of sixty-six county fair secretaries, who report to the State Board of Agriculture, say that of all kinds of advertising tried that in local newspapers has proved most effective. An attractively printed catalog is also regarded as good advertising.

MEASLES PREVENT

DEPARTURE OF FOURTH REGIMENT HINDERED BY EPIDEMIC.

MAY BE LAST TO RETURN

The Disease Extends Through Eight Companies — St. Joseph Plans Large Reception.

A dispatch from San Antonio to St. Joseph announces that there will be a delay in the return of the Fourth Regiment from the Mexican border on account of an epidemic of measles in the regiment's camp.

It had been the intention of the war department to dispatch the Missouri regiment to their mustering out station just as soon as the railroads could provide the equipment necessary to transport them, but they may now be the last to leave the border, it is feared.

A committee appointed by Mayor Marshall of St. Joseph to arrange for the home-coming of the Fourth Regiment, is desirous of entertaining the regiment as a whole, and at a meeting held by the committee it was decided to telegraph Congressman C. F. Booher at Washington asking him to make every possible effort to induce the war department to route the troop train through St. Joseph on its way to Fort Riley, Kan., for mustering out.

If the train can't be brought home this way the war department will be asked to so arrange it that the regiment may proceed from Fort Riley to St. Joseph in its entirety.

The dispatch from San Antonio says that the departure of the regiment has been indefinitely postponed because of the outbreak of German measles in the regiment. The epidemic extends through eight companies.

The schedules for homeward departure of several guard organizations were announced yesterday. The first movement will be that of the Third Illinois infantry and brigade headquarters from Camp Wilson Saturday. The Fifth Nebraska infantry and Company A, signal corps, will start from Llano Grande February 3.

Both the First Arkansas infantry at Deming and the First Oklahoma infantry at San Benito are due to get away February 1. Other Oklahoma troops in the Brownsville district, Troops A and B, cavalry; a field hospital and Company A, engineers, will probably leave the same day. Iowa brigade headquarters and the Third infantry will leave Brownsville between February 1 and 5.

JOHN M'GAREY, 72, DIES

Old and Respected Citizen of Conception Junction, Passes Away After Short Illness.

John McGarey an old and respected resident of Nodaway county died at his home southwest of Conception Junction at 2:45 Saturday afternoon, January 20, 1917, after an illness of four weeks. The funeral services were held at the Abbey church, Monday morning, January 22, Rev. Father Placid, O. S. B., officiating and interment made in St. Columbia cemetery. The deceased was born in Perry county, Ohio, September 12, 1844, and at the time of his death was 72 years, 4 months and 8 days old. November 29, 1862, he was united in marriage to Miss Rebecca Flowers and to this union six children were born, five of whom are living, the oldest, a son, passing away when 15 months old. Soon after his marriage the deceased moved to Iowa, and in 1896, moved to this county, where he resided until his death. He was an upright, conscientious man, who had surrounded himself with a host of friends. Besides his wife he leaves to mourn his loss three girls and two boys. Mrs. Mary Meagher of near Conception, Mrs. Clark Meyers of Maryville, Gertrude McGarey living at home, Bernard McGarey of near Conception Junction, and Dennis, who lives at home.—Conception Courier.

HERE ARE EIGHT EGG POINTS

The Following Essentials Will Insure the Successful Feeding of Your Poultry.

H. L. Kempster of the Missouri College of Agriculture gives the following essentials for successful poultry feeding:

1. Grain (scratch food) and ground feed (mash).
2. Animal food, such as beef scrap or sour skim milk.
3. Grit and oyster shell.
4. Green food.
5. Clean, fresh water.
6. Liberal feeding.
7. Plenty of exercise.
8. Regular attention.

Hens eat from five to eight pounds of food a month, or sixty to eighty pounds in a year. The daily food eaten by a hen is from three to four ounces. The daily ration for 100 hens is from nineteen to twenty-five pounds.

Hens drink six pounds of milk a month. One hundred hens drink two and one-half gallons of milk daily.

On limited range a laying hen eats two pounds of grit and three pounds of oyster shell in a year.

For Daughter's Birthday.

Mrs. L. A. Denny entertained yesterday at her home on East First street in honor of the third birthday anniversary of her little daughter, Dorothy. Dainty refreshments were served by the hostess assisted by her sister, Mrs. H. J. Becker and Miss Julia Denny. Those present were: Hilda Denny, Evangeline, Martha Lucile, Edith and Ruth Spickerman, Virginia and Charles Becker and Lois Dearworth. All the guests present were cousins of little Miss Dorothy, except little Miss Lois Dearworth.

Mrs. Yates, Hostess.

Mrs. Harry L. Yates was hostess to the C. C. Club at her home southwest of Burlington Junction, January 17.

In the absence of Miss Vida Young, Mrs. E. E. Corken led the meeting, the subject of which was "The Wonders of Our Country."

Roll call was answered with "Places in the United States Which I Would Like to See." The club closed its program with the song, "America." Refreshments were served by the hostess.—Burlington Junction Post.

Bedison Home Circle Meets.

The Bedison Home Circle met Wednesday, January 24, with Mrs. R. D. Stewart as hostess. Roll call was responded to with jokes and conundrums. A question box on Lincoln's life proved very interesting. Those present were: Mrs. Floyd Ambrose, Mrs. A. P. Kidder, Mrs. Fred Dodd, Mrs. B. W. Thompson, Mrs. Elmer Young, Mrs. William Anderson and son, Wesley, Miss Laura Snyder, Miss Sue Young, and Miss Lola Coulter. The next meeting will be held February 7, at the home of Mrs. James Snyder.

Morgan-Edmonds Wedding.

Miss Maggie M. Morgan of West Plains, Mo., and William W. Edmonds, of Burlington Junction were united in marriage at the Methodist parsonage Thursday evening, Rev. Ernest Snider performing the ceremony.

Mrs. Edmonds had made her home for the past six months with Mr. and Mrs. A. C. Nicholas in Maryville and also visited for some time in the Skidmore community with her two brothers where she is well and favorably known. Will is the son of Mrs. Edmonds Nicholas and has made his home in Burlington Junction for the greater part of his life, where he has been engaged in the paper hanging and painting business.

The groom has begun the construction of a modern six-room bungalow on lots adjoining his mother's home in the south part of town, and when it is completed Mr. and Mrs. Edmonds will make it their home.—Burlington Junction Post.

Lasher Home Makers Meet.

The Lasher Homemaking Circle met yesterday afternoon with Mrs. James Stevenson and held their annual election of officers, which was as follows: President, Mrs. James Stevenson; vice-president, Mrs. Charley Barrow; secretary, Miss Ella O'Grady, and treasurer, Mrs. Lawrence Gault. The members present were: Mrs. Paul Swinford, Mrs. Mart Moody, Mrs. John Schenkel, Mrs. Henry Strauch, Mrs. Lawrence Gault, Mrs. Will Knepper, Mrs. Charles Barrow, Mrs. Lloyd Martin, Miss Ella O'Grady and the hostess.

The next meeting will be at the home of Mrs. Paul Swinford, Thursday, February 8.

Honor Guests at Luncheon.

Misses Mildred Miller and Beulah Brunner, teachers in the training school at the Normal and who leave soon for New York City to attend Columbia University, were the honor guests of a luncheon given Wednesday noon at the Normal school. The rooms were decorated in white and green, the same colors were used in the luncheon, which was prepared and served by the following young girls, who are under fourteen years of age: Misses Josephine Miller, Annette Stiwalt, Mabel Raines, Charlotte Welchel, Beulah Shannon, Evelyn Raines, Mabel Robey and Lucile Elliott. The guests were: Misses Mildred Miller, Beulah Brunner, Hettie Anthony, Leora Ellwood, Ruth Hunt and Mrs. Alice R. Perrin.

Shea-Elberger Nuptials.

One of the prettiest wedding ceremonies that has been performed in the vicinity of Clyde, Mo., was witnessed by a large number of friends and relatives of the contracting parties, when Miss Alice Shea was united in marriage to Mr. Adam Elberger, of King City, Mo., the ceremony being performed Wednesday morning, January 24, 1917, by Fr. Frowin, O. S. B., pastor of St. Benedict's church.

The bride was attended by Miss Anna Elberger, sister of the groom, and Mr. Patrick Shea, brother of the bride, attended the groom.

The bride's gown was of liberty satin tulle, embroidered in pearls and trimmed in chanchilli lace. Her veil was fastened by a band of orange blossoms and lilles of the valley, and carried a shower boquet of bride's roses.

The bridesmaid's gown was of blue crepe de chine, trimmed in silver lace, and wore a pink and white picture hat, carried an arm boquet of pink carnations.

Immediately after the ceremony the party returned to the home of the bride's mother where an elegant wedding breakfast was served at which only the immediate relatives were present.

The young people left in the afternoon for a southern wedding trip, and on their return will be at home after March 15, at King City, Mo.

Miss Shea formerly lived in Kansas City until the last two years, when she came here with her people to live at their country home, and has proved to be a very popular and accomplished young lady and a general favorite among her friends and acquaintances.

The groom is well known in this community, especially by his pleasant manner and on account of being such a prosperous farmer.

May the good wishes of their large circle of friends follow them down the path of life and that their journey be one of peace, happiness and prosperity is the earnest wish of all in which the Courier joins.—Conception Courier.

W. C. I. Club Banquets.

The W. C. I. Club enjoyed a banquet at the home of Mrs. W. J. Fox yesterday.

The afternoon subject, was "Missouri," so the roll call was answered with the term of some governor.

After the usual business session the meeting was led by Mrs. Ed Cummins. The following papers were prepared and read:

"Missouri Typography," Mrs. Ben Booher.

"Facts About the Early History of Missouri," Mrs. E. A. Baker.

"A Unique Story of Missouri," by Miss Mary Cummins.

Reading and Swedish dialect, "Hard Luck, Hans," Mrs. Elihu Miller.

The program was closed with a song, "Missouri," by Mrs. W. J. Fox, Mrs. Elihu Carter, Misses Fern Blakesley and Mary Cummins.

This meeting closed a year of instructive and social club work. The treasurer's report showed a good balance after all charitable contributions and club expenditures.

The old officers were re-elected for the next year: Mrs. E. A. Baker, president; Mrs. Elihu Carter, vice-president; Mrs. Ben Booher, secretary; Mrs. Ed Cummins, assistant secretary; Miss Mary Cummins, treasurer.

The ladies were then invited into the dining room where the hostess, with the assistance of her sister, Miss Fern Blakesley had prepared a banquet in honor of the occasion. Covers were laid for Mrs. E. A. Baker, Mrs. Elihu Carter, Mrs. Ben Booher, Miss Mary Cummins, Mrs. T. J. Tobin, Mrs. Foley, Mrs. R. P. Ferguson, Mrs. P. D. Nicholas, Mrs Ed Cummine, Mrs. W. J. Fox, Miss Fern Blakesley, Little Pauline Foley, Master Leland Nicholas.

The next meeting will be held with Mrs. T. J. Tobin on February 2.—Burlington Junction Post.

Music Department Entertained.

Mrs. H. B. Schuler, Miss Blanche Gray and Miss Mary Evans entertained the members of the Music Department of the Twentieth Century Club yesterday afternoon at the Schuler home on West First street. The afternoon was spent socially and light refreshments were served by the hostesses. Seventeen members and guests were present. The guests were: Mrs. Delmar Coffman, Mrs. J. C. Allender, Mrs. J. H. Gray, Mrs. Fred Robinson, Mrs. L. W. Greathouse and her guest, Mrs. Clodstelter.

HOW GOOD THAT MUSTEROLE FEELS!

It Gets to That Sore Spot Like Magic

A-a-h! That's delicious relief for those sore muscles, those stiff joints, that lame back.

Musterole is a clean, white ointment, made with the oil of mustard and other home simples.

It does the work of the old-fashioned mustard plaster, minus the plaster and minus the blister!

You simply rub Musterole on the spot where the pain is—rub it on briskly—and usually the pain is gone.

No muss, no bother. Just comforting, soothing relief—first a gentle glow, then a delightful sense of coolness. And best of all, no blisters like the old-fashioned mustard plaster used to make.

Use Musterole for sore throat, bronchitis, tonsilitis, croup, stiff neck, asthma, neuralgia, headache, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frosted feet and colds of the chest (it often prevents pneumonia).

MARYVILLE PUBLISHING CO.
DEMOCRAT-FORUM

YOU may not think it is necessary to be so particular about the kind of Letter Head or Business Stationery you use. But you will change your mind mighty suddenly if you happen to see the expression that comes over a man, when he receives an announcement that has been produced in a cheap and half-hearted manner. You will see your business represented in a light that you will not like—probably you have never thought of this before.

Then why not make sure, no matter whether it is a Business Card or a Booklet, that it is designed exclusively for your business and to the particular end you have in mind. Our publishing department will be glad to give you some welcome ideas.

THERE SURELY MUST BE
At Some Time or Other

There surely must be at some time or other in the future, an occasion when you will be called upon for more money than you are accustomed to pay at once. Everyone has this happen and for various reasons. Sometimes they have a chance to make a paying investment, or they want to buy some property — in fact there are innumerable things you might need this extra money for.

But are you preparing for just this occasion? Will you be in the position to capitalize on money saved? If not it is high time you were getting ready.

The little red pass book of the Real Estate Bank with the first small deposits puts you on the road to success and preparation for future investments. So start today. Make the most of hours instead of days and the rest will be easy.

Sunday School Social.

The Intermediate Department of the Sunday School of the First Methodist Episcopal Church held a social gathering in the parlors of thechurchWednesday evening, about sixty-four being present. As the guests arrived names of famous men and women were pinned to their backs and they were required by asking numerous questions to find out who they represented. Then the crowd was divided into twelve groups, according to the months in which the birthdays occurred, and each group was asked to do some amusing stunt. Games entitled "A Third of a Ghost," and "Fizz and Buzz," followed. The climax of the fun arrived when the boys and girls joined heartily in the "Conversation" game, changing partners and topics of conversation every two minutes. Refreshments of ice cream and cake followed. The committees in charge were: Mrs. A. R. Perrin, for refreshments, and Prof and Mrs. Clyde C. Leeson and Mrs. G. W. Booth for entertainment. The following are the teachers of the classes in attendance: Prof. A. W. Cooper, Rev. E. M. Houchens, Mrs. L. L. Holbrook, Miss Mary Sewall, Prof. Clyde C. Leeson, Mrs. Clyde C. Leeson, Mrs. G. W. Booth, Miss Ethel Embree, and Mrs. Eckles. Mrs. A. R. Perrin superintends the department.

A NEW PEP ASSEMBLY

Many Clever Features Introduced at High School Meeting at 3 o'Clock This Afternoon.

Something new in the way of a pep assembly was held this afternoon at the High School at 3 o'clock. The first thing on the program was a talk by Eugene Yehle, the new president of the Athletic Association. His talk was in the nature of an explanantion of the game of basketball.

The next number was a meeting between Clarence Cook and a young lady (?). Their discussion of the approaching game with Stanberry was very interesting and amusing.

The climax of the assembly came when the High School team appeared on the platform in uniform and lined up against a team picked to represent Stanberry. The "Stanberry" team was composed of the five smallest boys in the High School. They were William Englemann, Ora McPherron, Erma Coler, Preston Maul and Cecil Bell.

The assembly was then turned over to the yell leaders—Eugene Martin and Ray Maul—and the old yells were practiced and several new ones learned.

KEEP LOOKING YOUNG

It's Easy—If You Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, a well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action, yet always effective. They bring about that exuberance of spirit, that natural buoyancy which should be enjoyed by everyone, by toning up the liver and clearing the system of impurities.

You will know Dr. Edwards' Olive Tablets by their olive color. 10c and 25c per box. All druggists.

ON "CHOOSING A HUSBAND"

St. Louis Pastor, Brother of Rev. L. M. Hale, Gives Advice to Girls.

The following extracts from the sermon of the Rev. George D. Hale, brother of the Rev. Lewis M. Hale, former pastor of the Maryville Baptist Church, were printed in the St. Louis Post-Dispatch. Rev. Mr. Hale, who is pastor of the Euclid Avenue Baptist Church in St. Louis, took for the subject of his sermon, "Choosing a Husband." He gave this advice to young women:

"Not a man for his money, but see that you love a man who has money—and wed the first good chance you get."

That was the text of Rev. George L. Hale's sermon on "Choosing a Husband" at Euclid Avenue Baptist Church here.

The "pass me the salt" introductions between men and women, he said, are the sort that engage a couple the next day, wed them the next and divorce them on the day following.

Rev. Hale issued the following "don'ts" for prospective brides:

"Don't wed a perfect man. They ain't.

"Don't wed a poor man. They're lazy.

"Don't wed a scornful man. They're crabs.

"Don't wed an immoral man. They're not men.

"Don't wed a clothes horse. They don't pull.

"Don't wed a house and lot. They mortgage."

'Many women," said Rev. Hale, "are good samples. They are whitewashed, enameled and rose tinted. They should be labeled 'handle with care.'

"Their husbands resort to the divorce courts. Their inscriptions are something like this: 'Goods delivered. Not as ordered in sample. Kindly return."

Dr. Gaugh is Improving.

Dr. M. A. Gaugh, who was stricken with paralysis last week, has been resting quite well and his many friends will be glad to know his condition is steadily improving. Dr. Gaugh has for years been one of the most active physicians in this part of the country and he is greatly missed in the community. The Post hopes to chronicle his further improvement by it's next issue.—Burlington Junction Post.

THE TAX PROBLEM

(Continued from Page 1.)

enue for the state.

The corporation tax, which is in addition to all the present taxes, provides a tax of $1 a thousand on the capital and surplus of all corporations doing business in Missouri. This measure on this basis will raise a trifle more than 1 million dollars a year in revenue.

The inheritance tax is sweeping. Starting with an exemption of $5,000 for widows and $2,000 to each child, it ranges upwards until the state would assess a tax as high as 30 per cent on a bequest of more than ½ million dollars where there was no blood relationship to legatee. The bill provides careful graduations both according to relationship and to the size of the bequest.

The general inheritance tax abolishes the present collateral inheritance tax and combines the direct and collateral inheritance tax in one measure. The University of Missouri which now receives the collateral inheritance tax revenue in the future would get its money direct from the general revenue fund. The University authorities preferred this as the amount obtained each year from the collateral tax is so uncertain the university never knows what to count on.

The inheritance tax puts a tax on every form of inheritance, direct and indirect. The bequest to a widow up to $5,000 is exempt and of each child up to $2,000. There are small exemptions in each class of relationship established by law ranging from a bequest of $500 to a brother or sister to $100 to a relative of the fifth or sixth degree. All bequests to charitable, religious or philanthropic purposes are specifically exempt. The measure provides where it can be established property was transferred within six years before death, without available consideration, for the purpose of evading payment of the inheritance tax, the property may be taxed as if left by inheritance after death.
